

HARRY'S RISK FACTORS / PROTECTIVE FACTORS

Instructions: Referring to Chapters 1 & 2, identify some of Harry's risk factors and protective factors

Risk Factors	Protective Factors

MY RISK FACTORS / PROTECTIVE FACTORS

Identify some risk and protective factors that you have (or if you prefer not to write about yourself, write about someone you know). Think about experiences, events, feelings about home/your family, friends, and school, for example. This is a reflection exercise that you do not need to share with anyone.

Risk Factors	Protective Factors
