## WHAT IS YOUR QUIDDITCH?

When Harry finds out he will be able to return to Hogwarts he is very happy. He is particularly excited about playing Quidditch again: "the thing he missed most about Hogwarts was Quidditch, the most popular sport in the magical world – highly dangerous, very exciting and played on broomsticks." He is also very good at the sport and it is something he enjoys.

What do you really enjoy doing at school? Do you like a school sport or club? What is your favourite part of school?
