

SETBACKS

1. What does Harry experience when he is exposed to a dementor once again? Explain.

2. What thoughts, feelings and behaviours does Harry experience during these chapters?

3. Harry is reluctant to share his feelings with others. Do you understand why he kept things to himself? Was this the right choice? Explain

4. What does Hagrid say to Harry about the dementors?

5. What might happen to someone if they had to face all their worst experiences all at once like Harry? Explain

6. What does Professor Lupin say to Harry about the dementors? How does this help Harry?

7. Is Harry really back to square one? Explain.

8. Have you ever had a setback? How did you handle it and what did you learn?
